Thank you for your email Tom.

We rarely vote positions on pending Bills in front of the state legislature, but I agree AB1250 should be added to our City Council agenda. I will raise the issue of adding it on Tuesday night. Kirsten Keith, who is serving as the City's mayor this year, ultimately is in charge of selecting what items are placed on our agenda. She traveling out of the country and won't be at the meeting Tuesday, so it may be a few weeks before we gain confirmation it will be added to an agenda in the future.

With best regards,
Ray

Subject: RE AB 1250

Dear Council members:
I am a resident of Menlo Park. I just received an impassioned email from Lee Duboc asking residents to demand that the Council oppose AB1250. In so doing, the council would go against the public employee unions. Private contracting has its benefits, I'm sure, but I am in FAVOR of AB1250. I never heard of it before today, but after doing some reading, I realized that the unions in this country are, and have been for some time, under assault from the business community without regard to the benefits the unions provide to millions of workers, both private and public.
Lee Duboc's appeal is based on a cynical attitude toward unions and worker's rights. I hope the Council does NOT take up the agenda of the assault on workers rights.
Thank You,
Thomas Buch, DDS
